

Policy on Church Facility and Property Use

Policy

England Hill Free Will Baptist and our facilities exist to be a sanctuary of worship for the people of our community and beyond. We believe that our facilities are to be used in a way that glorifies Jesus Christ; therefore, all use of any property or facility owned by England Hill Free Will Baptist is restricted to members of our organization that have subscribed to our statement of faith. Any and all receipt of direct charitable work of any ministry of the church is limited to members only. This includes but not limited to food pantry items, monetary assistance, and etc.

Any event taking place in/on any property must have a minimum of one member actively present during the duration of the event, and must be a form of worship as specified in Acts 2:42. No property/facility will be rented to the non-member general public for use in any way. Any use of the facility contrary to the items found in the statement faith will result in the cancellation of the event without recourse and termination of membership of the requesting member.

Reservation of the church facility is to be submitted in writing with the intended purpose of the event by a member of the church via paper or web-site submission. The date requested is subject to availability and approval by the Pastoral staff and/or Board of Deacons. Events may be cancelled at any time to fulfill worship functions including funerals. In the event of a cancellation, the member will be notified within 12 hours of scheduled use of facility.
